If you are coming from the north follow Rt. 122 south through Barre. After entering Rutland, take a left on Rt. 122A and you will find us about 1.7 miles on the right side.

Our Philosophy

Here at Holiday Acres we love to introduce children to the world of horses! The special relationships formed between a child and a horse develop confidence, teach the rewards of hard work, and build character that lasts a lifetime. We encourage riders to learn at their own pace and we strive to provide a safe place with a friendly atmosphere in which every rider is taught the discipline and responsibility necessary for good horsemanship. For over 50 years it has been our pleasure to lay a strong foundation and to observe and encourage as the individual grows in their love of this sport.

Do you love horses?

Ever dream of owning your own horse? Or maybe riding along the side of the road, listening to the clip-clop of the horses' feet on the pavement... Or feel a horse carefully pick an apple out of your hand with their soft lips?? Wouldn't it be fun to ride on a trail and stop and have a picnic while your horse nibbles on the grass?? Or ride in a horse show...learn to jump over fences...ride bareback with the wind blowing in your hair?

Come and experience for yourself the special relationship between a horse and rider. Meet our wonderful school horses: Lucky, Rascal, Penny, Midnight, Beau, Leroy and all the others. During the Holiday Acres Summer Riding Program you will learn about hard work and responsibility as you care for and grow to love these magnificent animals. Build character and confidence during your Holiday Acres experience!
